Message from the Head Teacher:

Thank you all for another wonderful year at Central. I hope you all have a relaxing and enjoyable summer. Health and Fitness week has been a fantastic end to the school year and it has been great to see the children engaging in healthy activities that have furthered their knowledge. One of the highlights was when Year 5 were shocked to discover how much sugar was in their favourite drinks! The police came in to talk about bike safety and the children responded really well to their advice about riding safely in town and in local parks. I wish all of our leavers the best of luck in their future education and hope that they continue to excel at their new schools.

Mr Mynott
