Message from the Head Teacher:

As the spring term draws to a close there continues to be a lot happening in school. Years 1 & 2 have been preparing for their production next week and Year 5 have finished reading 'Rooftoppers' and 'Wonder' and are now starting to explore the themes of both books. In our Curriculum Governors meeting on Wednesday, we heard from the Creative Arts and Maths leaders who shared the work they have been completing to improve Maths and the Arts further in the school. As both subjects are massive strengths of our school, this was a really rich discussion that explored how we can refine our work and ensure that there is even more challenge within our curriculum. It has been great to see the ceramic tiles produced by Year 3 last year being installed in the small car park; they look amazing. The teachers have been working on their curriculum plans for next term and it promises to be a great term of learning.

Thank you to all those parents and carers who have already filled in the parent questionnaire. The link is live until Tuesday morning next week so please do take a few minutes to give us your views.

Non-uniform days

Thank you for supporting today's non-uniform day to raise funds for our birthday book project. We will be holding another non-uniform day next week, on Thursday 29th March. Please donate £1 (or more if you would like to support this valuable cause!)

Parent Consultations

We are looking forward to seeing all parents for consultation meetings on Monday 26th March. Reception and Nursery meetings will be in the Early Years building, with all other year groups meeting in the main school.

Musical instruments

We offer lessons on trumpet, trombone, violin, keyboard, guitar from Year 3 upwards. Please speak to the school office for further information or to sign up.

Birthday treats

It is lovely for our pupils to be able to share their birthdays with friends at school and we are very grateful for the gifts provided by many parents. However, we are a healthy school and cannot give out chocolates, sweets or cake. If you would like your child to share birthday treats, some appropriate suggestions might include pencils, stickers, healthy snacks, or a book for your child's class. If you are unsure, please speak to your child's class teacher.

Regular features

e-Safety

We continue to be concerned about the number of pupils playing Fortnite, certificate 12+. Make sure you know the risks before you allow your child to play:

School Gateway

Please sign up for the School Gateway! Download the School Gateway app from the App Store – if your email and phone number match what we have recorded on our school systems then this should be very simple. Any problems, please speak to Mrs Oguz in the office.
