Message from the Head Teacher:

Welcome back to the final half term of the school year. The whole school is working on a topic linked to 'The Canal' and through this work we will be exploring the local area, our local canal and the history of canals in England and across the World. It promises to be a really interesting topic that will develop in lots of different directions.

On Wednesday, we shared which teachers will be teaching your children in September and I am delighted that we will continue to have a really strong teaching team who will continue to do their best to support the education of the children of Central.

Hopefully the weather will return to summer soon, but in the meantime please make sure your child always has a hat and a raincoat at school so they are ready for whatever weather happens!

Mr Mynott

Isle of Wight

Year 6 have had a wonderful week in the Isle of Wight. The week began with a very blustery ferry crossing on Monday, followed by a trip to Amazon World, a glass-making workshop, a falconry show. They've had great fun at laser tag, bowling and a disco.

Respect

Year 3 recently discussed respect. Aaron said: ***I respect people who respect me. I pay them back by giving them respect.*** These words should be a lesson to us all, well done Aaron.

John Lewis art competition

All children in Year 2 participated in the John Lewis *Picture Someone* competition by drawing a picture of someone who is important to them. Congratulations to Grace, Martha, Amelia and Nathaniel, whose work has been selected for display in the John Lewis store at the end of July.

Summer Fair

The Friends of Central Primary School would like to receive donations of teddies/stuffed animals, in good, clean condition, for the Summer Fair's "Adopt a Teddy" stall. Please pass give to your child's class teacher to pass to Mrs Shilling.

The next non-uniform day will be on 30th June, with donations of chocolate requested. The school fair is on 8th July, 12-3pm.

REMINDER: Secondary Transfer Year 5
