

Central Primary School

Admissions Policy

Our motto: Children are Central

Introduction

Our governing body applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admissions as of September 2000. This was later revised in the Education Act of 2002. Our Admissions policy conforms to the regulations that are set out in that Act and are further explained in the statutory School Admissions Code of Practice and the statutory Appeals Code of Practice. These were revised in January 2003 and come into force in September 2004.

Aims

- We seek to be an inclusive school, welcoming children from all backgrounds and abilities.
- All applications will be treated on merit, and in a sensitive manner.
- The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we adopt the procedure set out below to determine whether a child is to be accepted or not. It is our wish for parents to find a place for their child at the school of their choice. However, this is not always possible, due to excess demand on the places available.
- A child's level of ability is irrelevant to this school's admissions policy, as are any special needs the child may have.

How parents can apply for their child to be admitted to our school

- Our school is a community school, and it determines the admission arrangements in agreement with the LEA. The Admissions Authority for our school is therefore the LEA, which publishes its entry regulations every year. Parents can receive a copy of these regulations directly from the LEA.
- The LEA's annual admissions prospectus informs parents how to apply for a place at the school of their choice. Parents have a right to express their preference, but this does not, in itself, guarantee a place at that particular school. Application should be made online through the LEA website, www.hertsdirect.org/admissions. The LEA will notify parents of the decision as soon as all the applications have been considered.
- In this school, children enter at the start of the academic year in which they become five. There is one admission date per year, early in September (i.e. when the autumn term begins). Therefore, parents who would like their child to be admitted to this school during the year their child is five should ensure that they apply on line at www.hertsdirect.org/admissions by the 15th of January. After this date, Parents need to contact the Admissions Team directly at HCC on 0300 123 4048 to admit their child.
- In this school, children enter the Nursery at the start of the academic year in which they become four. There is one admission date per year, early in September (i.e. when the autumn term begins). Therefore, parents who would like their child to be admitted to the Nursery during the year their child is four should ensure that they complete the on line application at www.hertsdirect.org/admissions.

- Please note that the admission process for Nursery places has changed as of 2011 and whilst applications will continue to be processed on line via the LEA the school will be offering places direct to the parents in accordance with the schools admission policy as laid out by HCC. After this date, Parents can contact the school directly to admit their child.

Admission appeals

- If we do not offer a child a place at this school, this will be because to do so would prejudice the education of other children by allowing the number of children in the school to increase too much.
- If parents wish to appeal against a decision to refuse entry, they can do so by applying to the LEA. An independent panel considers all such appeals, and its decision is binding for all parties concerned. If the appeals panel decides that we should admit a child to whom we had refused a place, then we will accept this decision and continue to do all we can to provide the best education for all the children at our school. (Further details of appeal arrangements are set out in the revised Code of Practice on School Admissions Appeals, which came into force in September 2004.)

The standard number

- The 'standard number' is the number of children the LEA considers the school can accommodate. The standard number for our school is 420, plus 22 in our speech and language units and 50 in our Nursery (492 in total). We keep this number under review, and the governors will apply to change the number if circumstances change.

Sizes of classes

- We teach infant children (aged five to seven) in classes that have a maximum number of 30 children.
- We teach junior children (aged seven to eleven) in classes that have a maximum number of 30 children.

Monitoring and review

This policy will be monitored by the governing body and reviewed every two years, or earlier in the light of any changed circumstances, either in our school or in the local area. The policy will always take due note of guidance provided by the local Admissions Forum.
