### *Impact:*

- Pupils have continued to use the new playground from 2013 and the success of this project is feeding into the new KS1 area which opened in September 2014 and is being further developed in Spring 2014
- 48% of pupils are engaging in afterschool clubs and staff training is allowing staff to offer more clubs throughout the year
- Pupils have all benefitted from specialist dance teaching which is improving the attainment and progression of dance across the school (as this is part funded by sports premium – it is sustainable in the long term). Progress in Dance is outstanding
- Children have opportunities to take part in extra-curricular dance events including Rock Challenge, British Red Cross and County Dance Festivals. The Rock Challenge team won 7 awards of excellence at the 2015 heats.
- The dance teacher develops practice in the school by working with teachers to develop productions, and stage special events. Teachers in EYFS collaborate with the dance teacher weekly to promote PD
- The school has taken part in more sporting events, coming second in the local girls' cricket league, 4<sup>th</sup> in the boys' cricket league as well as in local and regional dance events.
- All Y5 pupils have learnt to swim and will be able to swim 25m by the end of the academic year
- The school buy into the Sport's partnership allows the school to take part in competitions and has provided staff NQTs and main-scale with training opportunities
- Outstanding PE teachers across the school have been released to support the provision of PE in other year groups, which is developing practice in the long term across the school.
- The school is revalidating its healthy schools award.
