**Our mission statement: Every Child is Central**

Headteacher: Katie Bentham MA

11th March 2022

Dear Parents/Carers,

Next Friday 18th March is **Comic Relief day** and we will be celebrating this in style with a crazy hair and non uniform day. There will be the opportunity throughout the day to complete an obstacle course and donations will be gratefully received. All money raised will go to comic relief and we will let you know how much this is once it has been counted up. We will be spending some time during the actual day to educate the children about what they are raising money for.

We are yet again facing some staffing challenges due to **COVID** and I apologise if you are seeing different faces around the school. We are doing our best to ensure continuity for the children however this has not always been possible. Thank you for your patience as we work through this. Any children who have symptoms still need to be tested and should only return after day 5 when they have two days of consecutive lateral flow tests.

Our **stars of this week** are celebrated in the post below:

Well done to all of these children.

I hope that you all have a lovely weekend.

Best wishes
