Our mission statement: **Every Child is Central**

Headteacher: Katie Bentham MA

18th March 2022

Dear Parents/Carers,

We have thoroughly enjoyed **Comic relief day** today. There have been some very crazy hair styles as well as the majority of the pupils having a go at the obstacle course in the playground. As soon as we have counted up exactly how much we have raised we will let you know. The children have also been learning about what the money is raised for and where it will be going.

Today has also been **science day** where the children have been completing investigations as well as learning more about different topics.

As it is the Queen's Jubilee this year, an additional bank holiday has been placed in the May half term. As a result of this, we have been able to add this bank holiday to our school calendar. Therefore on **Monday 6th June**, it will be the additional bank holiday and everyone will be able to enjoy a day off of school. Since this was originally going to be an inset day, the inset day has been moved to **Friday 27th May** therefore children will not be in school on that day either.

Our **stars of this week** are celebrated in the post below:

**Headteacher Affirmations** can be found in the post below:

Well done to all of these children.

We have a **blog** post from Apple Class this week also:

A Watford community initiative is for children to be able to have **free haircuts**. Mojo Fusion are offering this initiative. They can be found on 96B Queens Road. Please go along for your child/ren to get their free hair cut.

Please remember that the **Easter holidays** begin on Friday 1st April and the children return to school on Wednesday 20th April. We will be **finishing at 1.45pm on Friday 1st April**.

Best wishes  
Katie Bentham
