3rd December 2021

Dear Parents/Carers,

As you are aware there is a new **COVID** variant Omicron in the country. I am sure that you are as concerned as we are about this and therefore that we endeavour to keep everyone as safe as possible. As a school we have a number of things that we have in place in order to do this which we will continue to do in the near future. As parents/carers I would ask that you wear a face covering when dropping off or collecting your child/ren from school, you contact the school office via email or telephone and that if your child has any symptoms of COVID that they have a PCR test done. Before your child returns to school then please let the school office know the outcome of the test. If you are unsure of what to do then please contact the office who will advise you.

For those parents/carers whose children have a mobile phone then please take a look at the following website so that you can help your child be safe online.

We experience children accessing websites and apps that they are not yet old enough to use and this website helps you guide your child with what they can do and how to ensure they are safe doing this.

Our **stars of this week** are celebrated in the post below:

Well done to all of these children- it is lovely we can celebrate these achievements again in assembly.

This week I have continued to award some headteacher affirmation stickers. These are for children who have demonstrated one or more of the school values with their learning or through their behaviour. Please look out for the gold stickers that children will be wearing on their school uniform. Those who have received headteacher affirmations this week can be found below:

I hope that you all have a lovely weekend.

Best wishes,
Katie Bentham
