**Our mission statement: Every Child is Central**

Headteacher: Katie Bentham MA

8th October 2021

Dear Parents/Carers,

It has been a busy week at Central with lots of learning taking place. I am delighted to share with you that Nursery have won **first place in the Tesco sunflower competition**. More information including photos will follow shortly however they have grown the tallest sunflower amongst local schools and nurseries. Well done to the nursery team and the children who were in nursery at the end of last academic year.

On Wednesday we had some challenges getting into school but I would like to thank you all for your patience as we worked with the police to ensure that we **kept everyone safe**. Amazing teamwork was demonstrated by Central staff who I would like to thank.

I would like to remind parents that the school **gates close at 8.50am** and that anyone who is late will need to head round to the school office where they will receive a late mark. A member of the headship team will follow up on any children who are persistently late.

Can I remind you that **dogs are also not allowed** on school premises and please **do not park on double yellow lines** unless you have a disabled badge. This is to ensure that traffic can flow easily on the local roads and again keeping everyone safe.

On **Friday 22nd October** school will finish at 3.30pm for the October half term break.

Our **stars of this week** are celebrated in the post below
