

# Central Primary School

**Our mission statement: Every Child is Central**

Headteacher: Katie Bentham MA

11th November 2021

Dear Parents/Carers,

This week at Central we have been busy selling **poppies** and remembering why we wear poppies. A two minute silence was completed throughout the school on Thursday 11th November and while I was in Apple class at the time they also listened to the last post and learnt about the significance of it.

We are having some challenges with **COVID** cases at the moment within the school. There are times when a class might be asked to work in a 'bubble' due to the number of cases within that class. This means that they will continue to work in their classroom however they will have break time and lunch time on their own. If this is to happen to your child/ren's class, then I will write to you to let you know. As I am sure you will appreciate, your support is vital in ensuring we can keep the children and staff safe. If your child has any COVID symptoms then please ensure you keep them off school until you have been able to get a PCR test and you have the results. If you are unsure then please contact the school office and we can advise you.

Please can I remind you that all children with **long hair** should have this tied up when in school in order to prevent 'nits', which we are having lots of cases reported to us, at the moment.

Our **stars of this week** are celebrated in the post below:

Well done to all of these children- it is lovely we can celebrate these achievements again in assembly.

This week I have continued to award some headteacher affirmation stickers. These are for children who have demonstrated one or more of the school values with their learning or through their behaviour. Please look out for the gold stickers that children will be wearing on their school uniform. Those who have received headteacher affirmations this week can be found below:
